

**MICHAEL'S  
HOUSE**

*Empowering each other to serve the  
destitute elderly in the developing world*

The elderly prisoners at Masaka prison in Uganda struggled at times to breathe in the heat. Tightly packed behind the dirt and animal dung walls, they couldn't even lie down at the same time. ***Yet they laughed with joy.***

Many were imprisoned on false charges by those wanting to steal their property; some locked away for as long as three years without even a hearing. ***And yet, they wept uncontrollable tears of joy.***

There was soap—and wholesome food—and the medicine to stop their suffering. ***But they celebrated in disbelief.*** How could someone a continent away care for them?

Who made the miracle at Masaka prison possible? ***The answer is you.***

Dear Friend of Michael's House,

You are Michael's House. Your contributions save lives and restore hope to destitute elderly throughout the developing world. And we can't stop now. So many destitute elderly men and women need your help.

You provided monthly pensions, food, medicine, medical care, and shelter to the impoverished elderly in Honduras, Uganda, Rwanda, Ethiopia, Togo, Nigeria, Tanzania, Burkina Faso, Malawi, and Kenya. This year, our special projects included a water harvesting system for a home for the aged in Nigeria, vented stoves for homes in Honduras, and a sustainable chicken farm in Zimbabwe.

As 2014 ends and the holidays approach, we at Michael's House invite you to again provide a gift in the enclosed envelope so that we can provide new miracles and continue to support those whose lives depend on us. You may also make donations via PayPal or Network for Good on our web site.

We extend our warmest wishes to you and your family for a happy holiday season and for abundant blessings in the New Year.

Thank you for supporting Michael's House,

***P.S.*** *You've made a difference in the lives of so many people. No gift is too small - just \$20 will provide food and care for a person in need for an entire month. Thank you!*
